

2009.5- Full professor, Shanghai Jiao Tong University
Dept. of Bioinformatics and Biostatistics,
School of Life Sciences and Biotechnology
State Key Laboratory of Microbial Metabolism

2005-2009 Researcher, National Institute of Standards and Technology,
Gaithersburg, Maryland, USA

2002-2005 Postdoc, University of California, Los Angeles,
Dept. of Chemistry and Biochemistry

1998-2002 Ph. D, Hong Kong University of Science and Technology
Computational Chemistry

1994-1997 MSc. Peking University
State Key Laboratory of Rare Earth Materials Chemistry and Applications

1989-1994 BS University of Science and Technology of China
Applied chemistry
